GLOVE DRIVE

*Photography Courtesy
of CLK Photography.

Wearing and properly changing gloves dramatically reduces the spread of life-threatening diseases in a shelter environment. The Staff at HSHA use roughly 300,000 latex, vinyl, or nitrile gloves to clean, medicate, and care for the thousands of homeless animals that come to our shelter.

Our goal this year is to reach 250 cases of gloves. To participate in the glove drive visit our website for different ways to provide support.

Show some love with a glove!
**CAMPAIGN RUNS THE ENTIRE
MONTH OF FEBRUARY**
