- 3. I will familiarize myself and comply with the Humane Society's policies and procedures applicable to volunteers. In particular, I fully understand that the Humane Society expects high standards of moral and ethical treatment of the animals under its care. I will adhere strictly to these standards in my capacity as a volunteer.

RELEASE

- 1. I understand the risk of harm presented by the handling of animals and other volunteer activities on behalf of the Humane Society. I further understand that volunteer activities may place me in situations that could result in injury to me or my personal property due to the unpredictable nature of animal behavior and interaction of animals that come into the Humane Society's care, custody, and control. On behalf of myself, and my heirs, personal representatives, and assigns, I hereby release, discharge, indemnify, and hold harmless the Humane Society and its directors, officers, employees, and agents from any and all claims, causes of action, and demands of any nature, whether known or unknown, arising out of or in connection with my volunteer activities on behalf of the Humane Society.
