**Save Rate = (Live Intake - Non - Live Outcome) / Live Intake**

**Live Release Rate = Live Outcome / (Live Outcome + Euthanasia )**

The Live Release Rate includes all shelter euthanasia outcomes including owner requested euthanasia and animals that were processed out as Admin Missing. Admin Missing refers to animals that might have escaped, been stolen, and otherwise unaccounted for via a normal outcome such as a data entry error or duplicate entry. The Live Release Rate does not include animals that died naturally in shelter/care.
