Live Release Rate = Live Outcome / (Live Outcome + Euthanasia)

0

14

Campus Transfer Outcome

Total

The Live Release Rate includes all shelter euthanasia outcomes including owner requested euthanasia and animals that were processed out as Admin Missing. Admin Missing refers to animals that might have escaped, been stolen, and otherwise unaccounted for via a normal outcome such as a data entry error. The Live Release Rate does not include animals that died naturally in shelter/care or animals that were transferred between campuses.
